

1 Delegate Gallagher, on line 33, the words are
2 found, "petition of any registered voter", and I take it
3 that the intention is that the registered voter should be
4 a registered voter of the State of Maryland.

5 THE CHAIRMAN: Delegate Gallagher.

6 DELEGATE GALLAGHER: That is correct.

7 THE CHAIRMAN: Delegate Case.

8 DELEGATE CASE: And would it be possible to
9 have the Committee on Style take this into account when
10 the section is recast?

11 THE CHAIRMAN: That will be done.

12 Delegate Penniman is already making a note.

13 Delegate Gallagher, there is no question about
14 that, I take it?

15 DELEGATE GALLAGHER: That is correct, Mr. Chair-
16 man. We wanted to be certain that there was someone who
17 had undoubted, the undoubted right to bring a suit and to
18 have standing and that is why we used the particular word,
19 "registered" voter, but we did mean of the State of Mary-
20 land.

21 THE CHAIRMAN: Delegate Grant.
